**Your products make this market wonderful!**  
**What will you be bringing this year?**

Our market adheres to an 80/20 rule which means 80% of this Alberta Approved Farmers' Market must be "Make it, Bake it, or Grow it" items. If you are not sure what category your product is, please call/text the manager, Patti Aschenmeier at cell 780-498-0818. The 20% Other category includes selling items that are made, baked, or grown, but not by you. However, if you work for the creator, or are an immediate family member, it is considered part of the 80%. Also, we need to know **in advance (and here is the time to notify us)** what you plan to bring to the market over the course of the season. If you wish to add a product you did not list here during the season, **please contact the manager for approval before bringing it to market.**

While the Boyle Agricultural Society is required to carry insurance for the Boyle Farmers' Market, this policy **in no way** covers vendors.

Vendors are not required by our market to carry an individual policy, but it is strongly recommended, especially for food vendors, to protect yourself with your own policy. We are aware that the cost of this may make vending cost prohibitive, and ***we as a market are very diligent to abide by all regulations pertaining to the products you bring, and we expect you to be diligent and proactive as well.***

Proof of Liability Insurance may be sent in lieu of Waiver.
